### 1. Resident Workshop: Social Entrepreneurship in International Surgery (No additional cost)

**Time:** 10:00 AM - 3:00 PM

**Location:** 2135, 2145

**Audience:** Surgical residents interested in improving access to surgical care in low- and middle-income countries.

**Objectives:**

1. To use the tools of entrepreneurs to reframe public health issues as opportunities.
2. To teach the basic elements of a business plan.
3. To apply the business plan and frameworks to a real world healthcare case.

### 2. Workshop: Internet Tools for International Surgical Teaching (No additional cost)

**Time:** 10:00 AM - 3:00 PM

**Location:** 2135, 2145

**Audience:** Practicing surgeons and surgical residents interested in using and developing web tools for international surgical teaching.

**Objectives:**

1. To select a topic and outline a 'Surgery in Africa' review paper.
2. To create an online interactive case presentation using the 'Moodle' open source learning platform.
3. To evaluate social media tools as enhancements to online surgical teaching.

### 3. Workshop: FIRST Instructors Course (Extra cost - see below)

**Time:** 9:30 AM - 4:00 PM

**Location:** 2179

**Audience:** Doctors wishing to teach the FIRST (Fundamental Interventions, Referral, and Safe Transfer) Course to community health workers in Africa on behalf of the Canadian Network for International Surgery.

**Objectives:**

1. To be familiar with the course content and structure.
2. To learn teaching skills appropriate for visiting doctors.

**Course Fees:** Surgeons/Physicians \$250 / CNIS Members \$200/ Senior Residents \$150

**Workshop registration is on a first-come, first-served basis.**

Please email [Ptolemy.info@utoronto.ca](mailto:Ptolemy.info@utoronto.ca) to preregister for workshops before the meeting. To register for the FIRST instructors course, contact [office@cnis.ca](mailto:office@cnis.ca) or call **604-739-4708**. Limited spots may be available for onsite registration for some workshops.
