

**The Canadian Network for International Surgery (CNIS)
and the Department of Surgery, University of Alberta
invite you to attend a workshop**

THE PLACE OF SURGICAL CARE IN INTERNATIONAL DEVELOPMENT

When: June 1, 2013 8:30 am – 4.45 pm

**Where: Edmonton Clinic Health Academy
Room 1- 498
11405 - 87 Avenue NW
Edmonton, Alberta**

Join us for an interactive and practical day of learning! This is one in a series of public engagement endeavors by the CNIS to profile the role of surgical care in international development. All surgical care disciplines are invited.

Learn about and discuss the current status of surgical care needs globally, the principles for surgical care development internationally and the opportunities and methodologies for involvement.

The workshop is free of charge and refreshments will be served.

Please register your attendance soon!

CME Accreditation

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada. This program has been reviewed and approved by the UBC Division of Continuing Professional Development and Knowledge Translation
